BLUE-SPRAY

A best-selling product!

Use to clean wounds, bites and stitches. Suitable for use on cats, dogs, horses, cattle and pigs. External use only. Complies with Directives 75/324/EEC and 2007/45/EC.

Sku. 002100 400 ml   5 703188 340429

ALUMINIUM WOUND SPRAY

Just as effective as a dressing!

The aluminium wound spray forms a protective film which allows the wound to breathe while keeping it clean. Suitable for use on cats, dogs, horses, cattle, sheep, pigs and poultry. External use only.

Sku. 002150 200 ml   5 703188 211019

ZINC OXIDE OINTMENT SPRAY

Spray-on zinc oxide ointment which protects the skin and allows it to regenerate naturally. This spray forms a barrier to prevent any risk of infection. Its properties allow the skin to retain its elasticity. Suitable for use on cats, dogs, horses, cattle, sheep, pigs and poultry. Complies with Directive 75/324/EEC. External use only.

Sku. 002200 200 ml   5 703188 016232
