A range of care products, formulated to the highest cosmetic standards and made with over **95% natural ingredients**, to offer your pet real comfort when grooming.

Oatmeal, our cross-sectional care active ingredient, is renowned for its **moisturising, softening and sheathing properties**, giving your dog a feeling of well-being.

The combination of Oats and Eucalyptus, enriched with turpentine, **effectively neutralises unpleasant odours**.

Thanks to its antibacterial properties, this lotion works deep down **to purify the epidermis and coat, leaving the coat shiny**. Its powerful action ensures a fresh, healthy coat. Suitable for all types of dog. **Dries quickly. No rinsing required.**
